Dear Board Members,

I am writing to request permission to block off Henry Street in Cushman Village for our annual May Day celebration, Saturday May 2, 2009 from 9:00 am – 12:00 pm. The portion of Henry Street to be blocked off would extend from the intersection at Pine St to the intersection at Market Hill Road. We would like to request the delivery of two large saw-horses from the Public Works Department for use at each intersection. Delivery to the

Cushman Scott Children's Center site or one of the intersections would be convenient.

As always there will be no alcoholic beverages served at this event and we will monitor each intersection for emergency vehicle access should the need arise.

In anticipation of your approval, please join us for our annual pancake breakfast and May Pole festivities with the Morris dancers!

Sincerely,

Nancy Farber

Director

Cushman Scott Children's Center

I have no problem as long as they continually station people at the blockades for quick removal if we need access for ambulances or fire trucks!
